Stafford News Update

COVID-19

Wednesday, 3-11-20 Coronavirus Update

From Stafford Office of Emergency Management

- 3-SFD personnel are NOT symptomatic
- CDC Atlanta confirmation testing still not completed for the Stafford patient
- Currently 21-cases in Texas – (6 cases in Fort Bend Co., including the one in Stafford; 7 cases in Harris Co.; 3-Collier Co.; 2-Dallas Co.; 1-Gregg Co.; 1-Montgomery Co. and 1-Tarrant Co.)
- World Health Organization (WHO) has declared the COVID-19 outbreak a global pandemic

- The City of Houston and Harris County have cancelled all remaining activities and concerts for the Houston Livestock Show & Rodeo
- At this time the most vulnerable group includes those over the age of 60. This is typically due to underlying health issues (heart disease, diabetes and lung disease in particular), depressed immune systems and other chronic medical conditions historically likely with this age group.
- Multiple private testing facilities are now able to, and are, conducting COVID-19 testing including those in our area
