Stafford News Update

COVID-19

Tuesday, 3-10-20 Coronavirus Update

From Stafford Office of Emergency Management

- CDC Atlanta has not confirmed testing for the patient from Stafford.
- The 3-Stafford Fire Department personnel that responded to the case within our city limits are NOT symptomatic.
- As of 4pm today (3-9-20) there are 6-positive cases in Fort Bend County, 6-positive cases in Harris County and 1-positive case in Collier County.

- Stafford Emergency Management personnel are in daily contact with County Health Authority, Dr. Anzaldua, FBCHHS, neighboring cities and FBCEMS for situational awareness and planning.
- Fort Bend County has staffed a phone bank with a line dedicated to the public: **281-633-7795**
- Please take the time to clean common surfaces, encourage washing hands frequently and pay close attention in groups for others appearing sick.
