

## Brand Lane Construction: Complete Roadway and Drainage Reconstruction with Sidewalks

Brand Lane from Avenue E to US 90A  
US 90A to Ludwig Ln is in the City Limits.  
Ludwig Ln to Avenue E is in Fort Bend County

Construction from October 1, 2014 - February 2016

Scope of the Project:

1. Update Entire Roadway to a Three-Lane Concrete Section with a Center Left Turn Lane
2. Install Sidewalks and Storm Sewer
3. Reconstruct the Waterline
4. Adjust Sanitary Sewer Lines

Construction Expectations:

1. Digital Message Signs to Route Traffic Notifying Motorists of Travel Changes
2. Traffic Cones, Barrels and Signage for the Duration of the Project
3. Mailboxes to be Relocated Near Existing Location
4. One-Way Traffic on Brand Lane During the Project

2007 Fort Bend County Bond Project

Project Partners:

1. City of Stafford
2. Fort Bend County
3. Fort Bend County Water Control Improvement District #2 (WCID #2)

Total Design Cost: Approx. \$790,000. Stafford paid approx. \$200,000

Total Construction Cost: \$6.87 million. Stafford to pay approx. \$2.24 million
